Upon request **Trans Atlantic Trading Enterprise Inc.** will arrange for:

EXPORT CERTIFICATION issued by SGS / INTERTEK
(ex. Certificate of Conformity for Goods to be Exported to the Kingdom of Saudi Arabia)

TRANSPORT PACKAGING: AIR / OCEAN

FREIGHT: AIR / OCEAN

ENGINEERING STUDIES: MECHANICAL / ELECTRICAL

TRANS ATLANTIC TRADING ENTERPRISE INC.

CANADA

Welcome to **TRANS ATLANTIC TRADING ENTERPRISE INC.**

Your source for a wide range of quality residential, commercial and industrial products.

Trans Atlantic Trading Enterprise Inc. engages in the procurement and supply of high quality equipment, machinery and components for the Oil/Gas, Petrochemical, Mining and Power Generation Industries.

We provide a complete range of high quality low, medium and high voltage electrical and mechanical equipment and components.

All products are sourced from leading manufacturers such as GE Industrial, ABB, Schneider Electric, Rex Power Magnetics, etc.

We also undertake the procurement of industrial machinery and equipment designed and manufactured as per the customer's specifications.

All products supplied by Trans Atlantic Trading Enterprise Inc. are designed, manufactured, and tested as per industrial standards.

Trans Atlantic Trading Enterprise Inc. is a customer driven business with a reputation for quality and on time delivery. We strive to supply our customers with the best quality goods at competitive prices at all times. Our hands-on approach from source to market and complete attention to detail provides our customers with peace of mind and quality assurance at all times.
